Dear Applicant,

Thanks for your interest in joining the Matrix Family.

Why Matrix?

We're a fun team who work hard to achieve the aim of catalysing change for young people across Guildford Borough. We're passionate about building long-term relationships and providing activities within schools and the community that nurture, inspire, connect and empower young people, helping them make the most of their lives.

Right now, post-covid, we are responding to the needs of young people by consolidating our established projects and continuing to develop new ones as the need arises. We're looking to add to our team with passionate people who are keen to invest for the long-term, willing to put in the energy needed to make a tangible difference.

Why Guildford?

Don't be put off, thinking there are no needs amongst young people in Guildford, it's not what it seems on the surface. The needs of young people here are very real, amongst those who have, and those who don't - from mental health issues, to social isolation and from a lack of opportunities to poor life skills, for young people in Guildford life can be tough.

Most years we work with over 500 young people on a regular basis, providing in-depth support for needs ranging from mental health to social and emotional development, and work with 500+ other young people across a range of activities and provision. The last few years have obviously been challenging for everyone, with Covid-19 taking its toll, especially so with regard to young people's mental health and wellbeing - making this role even more vital. Take a look at our latest newsletter online to read some of our young people's stories!

Where does this role fit?

Our Youth Workers do a variety of face-to-face delivery as well as develop and improve provision. Focussing on key locations across the Borough, our provision responds to localised needs and works in collaboration with churches, schools and other organisations - the successful candidate will be creative and passionate about building trusting relationships with young people. If you love a varied role, can take initiative and don't mind mucking in, this could be the role for you.

Come and join the adventure!

Thanks again for taking time to look at our vacancies and I hope that you consider applying to become part of our growing team.

Kind regards,

Misty, CEO
